Grey Eagle Event Centre Covid Policy

The Grey Eagle Event Centre has adopted Covid safety measures to help keep our attendees and staff as safe as possible during our upcoming events. As our venue starts to open up again, our event's status may change due to developing safety policies, but we'll keep you posted if that's the case.

Grey Eagle Event Centre Covid Safety Measures

Here are some of the safety precautions our venue is taking to protect our attendees:

CONTACTLESS ENTRY

Your phone is your ticket, so it never has to change hands when you enter a venue or transfer tickets, helping maintain social distancing from the start.

MASKS MANDATORY

In accordance with the Government of Alberta Chief Medical Officer and Order 40-2021, the Grey Eagle Event Centre has instituted a mask mandatory stance during all events in public areas. Attendees are NOT required to wear a face mask at all times while attending an indoor public place IF the person is seated or standing while consuming food or drink. If the attendee leaves the seat or table in transit to other areas of the Event Centre they must wear a mask (ie: going to the washroom, bar or outside).

CLEAN VENUE

Our Grey Eagle Event Centre has taken steps to sanitize the entire building before the event and any high traffic surfaces throughout our venue will be sanitized before, during and after the event.

SOCIAL DISTANCING

We recommended our attendees maintain six feet of distance throughout the foyer for a safe distanced event. Our theatre seating will remain the same with attendees wearing mandatory masks when they are in their seats when not eating or drinking.

HAND SANITIZER STATIONS

Attendees will have access to various hand sanitizing stations that will be located throughout the venue and are encouraged to use them frequently.

Grey Eagle Event Centre will be monitoring the Covid safety procedures instituted by the province closely as well as the entertainment industry standard practices for live events going forward. Any update to this policy will be announced via our website, social media channels and to attendees of upcoming events.

Enjoy the upcoming events safely and responsibly.

Sincerely,

GREY EAGLE EVENT CENTRE
